

Attention animal lovers!

If you would like to make a difference in the lives of homeless animals, please consider volunteering at the Eleanor Sonsini Animal Shelter. We have many volunteer positions available which include:

- **Customer Service Specialist**
- **Cat caregiver** (mornings and evenings)
- **Dog walker/caregiver** (mornings and evenings)

Have allergies? Think working in the shelter will make you sad? Afraid you'll want to take them all home? Well you can still help! We are also looking for volunteers who can do the following:

- **Help out at fundraising events**
- **Make visually appealing displays for off-site events**
- **Organize donation drives**
- **Hang posters, hand out flyers**
- **Distribute and collect donation cans**

... and much more!

We will be holding our first **Welcome Session** for folks interested in volunteering. At this session you will learn about our shelter, our animals and what it means to be a volunteer.

Friday, November 4, 6-7:30 pm
BCC's Intermodal Education Center (second floor)
1 Columbus Ave, Pittsfield

Space is limited so please call **(413) 448-9800** or send an email to **sonsinivolunteers@gmail.com** to register.
